This syllabus comes from the Association of International Dance Teachers; based out of South Africa. They have developed an extensive modern syllabus which strives to train technical, strong dancers. Students can take examinations and earn credits which can be applied towards high school graduation. Along with dance movement, these classes introduce students to jazz terminology, music theory and anatomy.

Students will be assessed in class and receive an exam letter with their eligibility, exams are optional

CHOREOGRAPHY CLASSES - By audition on June 14th

Dancers can choose which choreography classes they sign up for and will be placed based on an audition workshop held in June. To register for an audition time slot, email the office at info@youngatarts.ca with a list of which styles your dancer would like to participate in. SOLO, DUO, TRIO

Competing as a solo, duo or trio is a privilege that should not be taken lightly. Dancers taking private lessons will be held to a high standard and must meet special requirements. They will be expected to retain their choreography and show progress from week to week. Practice outside of class time is mandatory. Younger dancers will require parental assistance with home practice. Studio space is limited, and our teachers' time is valuable, therefore solo/duo/trio dancers must appreciate the value and privilege of a private lesson and work to deserve both.

PRIVATE LESSON FEES:

- SOLO: \$1510/ Year (Junior Teacher) 1860/ Year (Senior Teacher)
- DUO: \$950/ Year (Junior Teacher) 1140/ Year (Senior Teacher)
- TRIO: \$785/ Year (Junior Teacher) 900/ Year (Senior Teacher)

Private lesson fees include:

- Competitive choreography by an in-house choreographer
- 15 hours of instruction with an in-house instructor
- Music selection and edits for performance
- Costume design, purchase/creation
- Competition fees and registration in 3 local competitions
- YAA instructor present at competition

REQUIREMENTS ~ Students must:

- be enrolled in intensive program (technique requirements)
- be enrolled in a group class for the style of their solo/duo/trio
- make attendance to ALL their classes a priority

Dancers wishing to participate in a solo/duo/trio must complete a 'Private Request Form' and **email the office by July 1st** to ensure space. Please include your requested dance style and duo/trio partners if applicable. It may be possible to add a private lesson after this date, but cannot be guaranteed.

We are excited to share this new season with you!
